OBJECTIVE

Dynamic and motivated Computer Science student seeking an opportunity to leverage technical and analytical skills in a challenging environment. Passionate about data-driven problem solving, web development, and continuous learning to contribute effectively to organizational success.

EDUCATION

B.Tech in Computer Science and Engineering, Anurag University **2022 - 2026**
Hyderabad, India

Intermediate (MPC), Narayana Junior College **2020 - 2022**
Hyderabad, India

CBSE, Nava Bharat Public School **2019 - 2020**
Palvancha, India

SKILLS

Technical Skills	Python, Data Science, HTML/CSS, Webflow, SQL, Power BI, Prompt Engineering
Soft Skills	Communication, Problem-Solving, Teamwork, Time Management, Adaptability
Tools/Platforms	Webflow, Figma (UI collaboration), VS Code

EXPERIENCE

Web Development Intern | Unisights Management Consultancy Pvt. Ltd. **Sep 2025 - Dec 2025**

- Worked on frontend and backend development, implementing responsive UI components and backend functionalities.
- Integrated APIs and contributed to feature development aligned with business requirements.
- Collaborated with UI/UX teams to convert Figma designs into functional modules.
- Performed testing, debugging, and optimization to enhance website performance and user experience.

PROJECTS

Portfolio Website using Webflow: Designed and developed a responsive personal portfolio using Webflow. Implemented structured layouts, interactive components, and ensured cross-device compatibility using HTML/CSS fundamentals.

Landing Page Design: Built a modern and responsive landing page using Webflow CMS. Focused on UI optimization, user experience, and mobile responsiveness.

EXTRA-CURRICULAR ACTIVITIES

- Executive Member at Toastmasters International, actively enhancing public speaking and leadership skills.
- Participated in technical learning activities including building models, software testing, and DIY projects.
- Engaged in mentoring, volunteering, and event organization activities contributing to community development.

CERTIFICATIONS & COURSES

- AI Fluency: Framework & Foundations – Anthropic
- Programming Essentials in Python – Cisco Networking Academy
- Prompt Engineering – Freedom with AI
- Digital Marketing – Udemy
- Design Thinking – Infosys
